SAKE BY THE BOTTLE

Hitoki Junmai, Rose (180ml)	29
<i>Using an ancient red rice varietal locally cultivated in Yamagata yields an elegant rose and purplish hue to this sparkling sake. Great as an apéritif and also an excellent accompaniment throughout an entire.</i>	
Tombo Sparkling (250ml)	42
<i>Vivid, refreshing and natural carbonation from in-bottle fermentation offers a gorgeous mouthfeel. Yamadanishiki rice for this sake is cultivated by the brewery & very little or no argo-chemicals are used. Thousands of Tombo (dragonflies) converge onto the healthy rice fields just before the harvest season.</i>	
Mizubasho Pure(360ml)*	108
<i>World's first Sparkling Sake which is made 100% Methode Champenoise, in which the bottles go through secondary fermentation, are aged on sake lees and subsequently hand riddled. The finished product is beautifully effervescent with gentle bubbles, clean acidity and extremely pure. With its excellent perlage & crisp finish, it's great as an apéritif & pairs brilliantly with seafood.</i>
